

3 Easy Steps

1. Select a project - Choose one of our fun projects. Our event coordinator will take care of all the prep work & conduct craft instruction.
2. Schedule a party - Call us at (845) 938-4812 to arrange an appointment.
3. Celebrate - Our event coordinator conducts the setup and crafting experience. You will need to bring the cake, ice cream, utensils and decorations. Our coordinator will even setup your party decorations for you!

Craft parties are designed to be fun!
All parties are organized by knowledgeable instructors.

Hosting your party with us is convenient and affordable - we can arrange a pizza & craft party for as little as \$8 per child.

Party packages available for ages 5 - 12.
Age appropriate parties can also be created for kids under 5.

Birthday child's parent/guardian must remain at the event.

Parties last from 1.5 - 2 hours.

Guests should be dressed appropriately - projects involve supplies that may damage clothing.

MWR Craft Shop, Bldg. 648 (845) 938-4812
